

National Institute of Technology Srinagar

Presents

5 DAY WORKSHOP ON

Driving Towards Safety

(UN Global Road Safety Week- 2024)

About NIT Srinagar

National Institute of Technology, Srinagar was established in 1960 as the Regional Engineering College, Srinagar. The Institute acquired the status of NIT in August 2003 and attained full autonomy in its Academics. In 2007, it became an Institute of National Importance. It is one of the 31 NITs and is directly under the control of the MHRD. The Institute is situated on the banks of the world-famous Dal Lake. Besides running various undergraduate, postgraduate, and doctoral programs, the Institute has also established an Innovation Incubation and Entrepreneurship Development (IIED) center.

ROAD SAFETY WORKSHOP

About Civil Department

CED is the oldest departments, established in 1960. The departments run graduate programs leading to a Bachelor of Technology (B. Tech) degree in Civil Engineering and postgraduate programs leading to a Master of Technology (M. Tech). The two departments also run Ph.D. programs. While CED offers M. Tech programs in four specializations: Water Resources Engineering, Structural Engineering, Geotechnical Engineering, and Transportation Engineering & Planning.

About NSS

The National Service Scheme (NSS) is a Central Sector Scheme of the Government of India, Ministry of Youth Affairs & Sports. It provides an opportunity to the student youth of India to take part in various Government led community service activities & programmes. The primary objective of NSS is to develop the personality and character of the student youth through voluntary community service. NSS was launched in 1969 in 37 Universities involving about 40,000 volunteers which has now spread over 657 Universities and 51 +2 Councils/Directorates, covering 20,669 Colleges/ Technical Institutions and 11,988 Senior Secondary Schools.

About Workshop

The National Service Scheme (NSS), in association with the Department of Civil Engineering, NIT Srinagar, is Organising a Five-day workshop on “Driving Towards Safety: Road Safety Practices in India” from 14/05/2024 to 18/05/2024 on the the occasion of “UN Global Road Safety Week 2024”.

This workshop is also a tribute to “Vipul Tyagi”, a promising student of our institute who tragically lost his life in a road accident.

The objective is to educate participants on detailed regulations and raise awareness to prevent incidents in the future. Through comprehensive sessions on road safety, our goal is to ensure the safety and well-being of all community members.

The Short-Term Course will feature presentations on various topics within the domain of road safety in general by Eminent Speakers and will also serve as a platform for academics, researchers, and engineers in and outside J&K to share and exchange knowledge and experience in research on sustainable development related to road safety.
