

July 17, 2019

Farhad Bakhsh
National Inst. of Technology Srinagar
Electrical Engineering Department
Hazratbal - 190006
India

Dear Farhad Bakhsh:

Welcome to the IEEE Student Branch program! On behalf of the Member and Geographic Activities Board, we have approved your petition to form an IEEE Student Branch at National Institute of Technology - Srinagar.

Your Student Branch is located in Region 10 and your activities will be of interest to the volunteers listed below:

Akinori Nishihara, Region 10 Director
Binh Huynh Thi Thanh, Region 10 Student Activities Chair
Saaveethya Sivakumar, Region 10 Student Representative
Prerna Gaur, Delhi Section Chair
Rachana Garg, Delhi Section Student Activities Chair

Your Student Branch code is **STB11543** and your School Code is **60099523**. Please be sure to use them on all correspondence and reporting forms. To ensure that the students are properly assigned to your Student Branch, they should join IEEE online at <http://www.ieee.org/join> and use the school search to find the school name National Institute of Technology - Srinagar.

On behalf of the IEEE and its members, I would like to welcome your Branch to the student program. If you have any questions or need assistance, please do not hesitate to contact our Student Services department at:

Student Services
IEEE Member and Geographic Activities Department
445 Hoes Lane
Piscataway, NJ 08854

student-services@ieee.org, email
+1 732 562 5527, phone
+1 732 463 9359, fax

Sincerely,

Cecelia Jankowski

Cecelia Jankowski

PREAMBLE

There are revolutionary changes taking place in the paradigm of teaching-learning process brought out by the availability of new methodologies/technologies for knowledge sharing, and the new context and pressures of increase in and variety of the student population, not to talk of the gradual globalization of the education process itself. Under these circumstances it is essential for the teaching fraternity to hone their existing skills, develop new skills, and learn the nuances of the art, philosophy and science of teaching so that the teaching-learning process becomes more enjoyable, creative and productive, for both the teachers and students. There is a need to connect three vital elements of education viz. faculty, student and the course for evolving right mix of solutions among the variety of approaches which significantly vary in different ambience. This faculty development programme (FDP) devoted to addressing the need to enhance the knowledge about the latest Outcome Based Education (OBE) and is open for Faculty members of engineering colleges.

NATIONAL INSTITUTE OF TECHNOLOGY SRINAGAR

FACULTY DEVELOPMENT PROGRAMME

on

Outcome Based Education

18th May – 22nd May, 2019

Sponsored by

TEQIP-III (Technical Education Quality Improvement Programme)

Organized by

DEPARTMENT OF MECHANICAL ENGINEERING

National Institute of Technology, Srinagar (J&K), India

An autonomous Institute of National Importance under the aegis of Ministry of Human Resource & Development (MHRD)

www.nitsri.ac.in

ABOUT THE INSTITUTE

ional Institute of Technology, Srinagar is one of the thirty one NITs in the Northern regions of the country, established in 1960 as Regional Engineering College under Government of India during the 2nd five year Plan. The Institute acquired the status of National Institute of Technology with deemed to be University status during August, 1983 and attained full autonomy in its Academics. The Institute is situated at the banks of world-famous Dal Lake, with the far-famed Hazratbal Shrine on other side of campus. There are eight Boys and two Girls hostel which have a capacity to accommodate about 2000 students. Besides running the B.Tech Programme the Institute also offers M.Tech. programme in many streams. In addition to that a large number of students are registered for M.Phil and Ph.D Programmes in different disciplines.

VISION OF THE INSTITUTE

to establish a unique identity of a pioneer technical Institute for NIT Srinagar by developing a high quality technical manpower and technological resources that aim at economic and social development of the nation as a whole and the region in particular keeping in view global challenges.

MISSION OF THE INSTITUTE

The broad mission of NIT Srinagar is to create a strong and transformative technical educational environment in which fresh ideas, moral principles, research and excellence nurture with international standards.

Technically educated and broadly talented engineers, future innovators and entrepreneurs, graduate with understanding the needs and the problems of the industry, the society, the state, and the nation.

We promise to inculcate the highest degree of confidence, professionalism, academic excellence and engineering ethics in budding engineers.

AIM AND SCOPE OF THE FDP

3 Faculty Development Program primarily focused on programme accreditation by A. NBA has introduced a new process, parameters and criteria for accreditation which increasingly make it mandatory for all engineering programs to implement Outcome Based Education (OBE). Our present teaching learning processes are oriented towards old Input-based model rather than new Outcomes-based model. There is an urgent need of changing our instructional methods for effective delivery of E. Main objective of this FDP is to educate the young as well as senior faculty members on how to reorient their teaching learning processes to implement OBE in a letter and spirit. Articulation of course outcomes for a particular course, various direct and indirect assessment techniques and their evaluation will be covered in detail in this FDP.

COURSE CONTENTS

This course contains brief knowledge of all criteria of self-assessment report for NBA accreditation. It will provide a clear and coherent acquaintance of NBA accreditation. It will cover following contents:

- Outcome based Education
- Vision, Mission and Program Educational Objectives
- Program Curriculum and Teaching-Learning Processes
- Course Outcomes and Program Outcomes
- Faculty Information and Contributions
- Facilities and Technical Support
- Continuous Improvement
- First Year Academics
- Student Support Systems
- Governance, Institutional Support and Financial Resources

RESOURCE PERSONS

Eminent academicians and NBA experts from top-notch Institutions viz. NITs, NITTR, Central universities and other premier institutions shall enlighten the participants during the programme.

PARTICIPANTS

The faculty members from institutions affiliated to AICTE/MHRD are welcome to apply for the programme.

Note: The programme is compulsory for regular and contract faculty in NIT Srinagar.

REGISTRATION FEE PARTICULARS

There will be no registration fee for faculties of NIT Srinagar and it is mandatory for them to attend the FDP.

Faculty/Academician other than NIT Srinagar: Rs. 5000/-

HOW TO APPLY

The interested candidates need to apply on the address of the coordinator in the prescribed format through proper channel. The registration process will be completed only when the registration form is received. Interested candidates must email the advance scanned copy of their registration form along with the copy of demand draft in favor of "Coordinator TEQIP III, NIT Srinagar" payable at Srinagar.

For more details about FDP course please visit: <http://new.nitsri.ac.in>
